Dear Mr. Weisberg,

Enclosed is my check for copies of your two books Frame-Up and Oswald in New Orleans.

I misplaced the paper on which I had written the exact amounts of the books, but I believe you said $25 was the total. I added $1 for postage. Please let me know if I was mistaken, and I will get the balance to you right away.

Things have been moving along steadily down here. In fact, because of the literal flood of information coming in, we decided to postpone the first story until September. The final sequence will have the Kennedy story first, with the King piece in October. Will keep you posted on further events.

In the meantime, I want to thank you sincerely for all the help you gave me in steering me to sources.

Best Regards,

Dan Christensen
